

TIVERTON PARK FUND

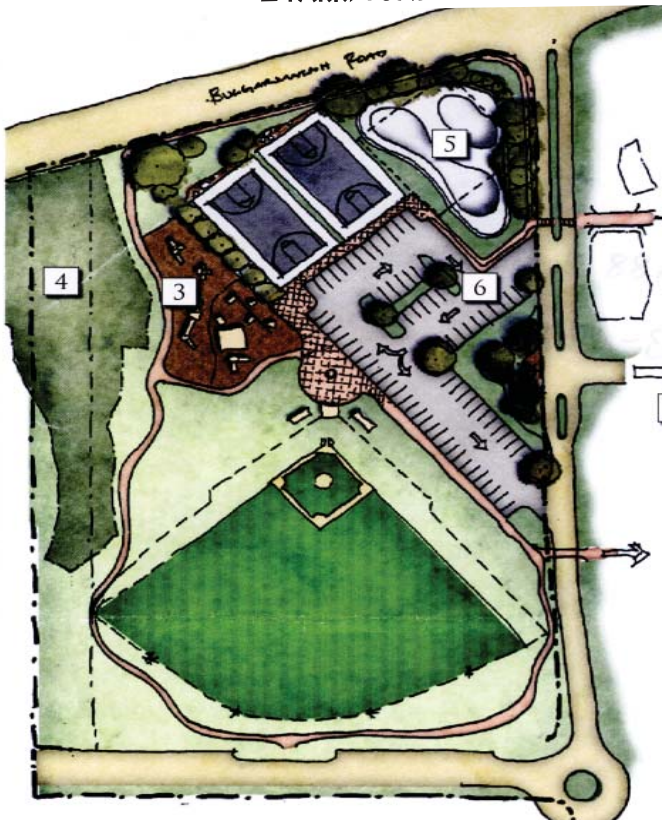

For the benefit and maintenance
of the future Tiverton Skate Park.

A Community Project
To Build
A Public Skate Park
at Bulgarmarsh Park,
Tiverton RI

Where Will The Skatepark Be Built?

The Tiverton Skate Park will be located on a 10,000 square foot area at the corner of entrance to new Bulgarmarsh Park and New Tiverton Library (see map below area #5). The new basketball courts and new ball field parking will frame the park. This part of Tiverton will become a safe new meeting area for area residents and their children.

We need your help!

All of your gifts no matter how big or small come with a thank you from all of Tiverton, Little Compton, Portsmouth, Westport, and other kids around the area who will enjoy the park.

Please Consider A Gift!

| | | |
|-----------------------|--------|-------|

Tiverton Park Fund

PO Box 214

Tiverton, RI 02878

Checks can be made payable to **Tiverton Park Fund**
The Tiverton Park Fund is a registered 501© 3 organization.
All donations are tax deductible.

What Will The Skatepark Look Like?

The plan is to build an all concrete low maintenance skate park with many street, bowl and vertical elements. The attached image shows what our "dream" park would look like. The park will be aesthetically pleasing with low organic forms and landscaping. This type of park is very sculptural and attractive.

Why Build A Public Skatepark inTiverton Park?

- *Skateboarding and board sports are some of the fastest growing sports in the world.*
- *Board sports can be done individually or as a group.*
- *Tiverton is centrally located to East Bay and southeastern Massachusetts.*
- *Tiverton Skate Park will be a safe location where our children can skateboard, scooter, rollerblade and BMX.*
- *The Tiverton Skate Park will bring in people from other towns, which will benefit Tiverton business.*
- *The park will be an asset to the town of Tiverton and surrounding communities.*
- *Visit any town park, the skate parks are always busy.*

How Much Will It Cost?

Our “dream park” would cost over \$150,000. We currently have over \$35,000. raised through the efforts of Ethan Smith. As an asset that all in the town and surrounding communities will enjoy we ask for any donation of money or services.
